

Freedom Fence-Las Cruces Fence Company

Description:

Las Cruces Fence Contractor
Freedom Fence

Freedom Fence Company located in Las Cruces New Mexico is dedicated to providing the best choice for your professional fence construction and installation services primarily for the Las Cruces, Siver City, Alamogordo, and surrounding areas.

Our success is based on our dependable quality of materials and labor and our on-time construction. Most residential fences can be completed in one day. We build all types and styles of fencing for our residential and commercial customers.

A very common fence solution for simple containment purposes is chain-link fence. Security fences can be any height with optional razor or barbed wire. Tennis courts can be fitted with wind screen.

Animal enclosures are also a common use. Chain-link fencing is a great alternative for enclosing residential spaces and keeping small animals contained.
